

BAPATLA ENGINEERING COLLEGE::BAPATLA
DEPARTMENT OF PHYSICS

Minutes of BOS meeting

18/08/2021

- ❖ It is resolved to change the marks weightage CIE-30MARKS; SEE-70 MARKS as per the guidelines of APSCHE
- ❖ The BOS chairman is authorized to modify the model question paper accordingly . the R-18 syllabus of physics will be continued for R-20 regulation students. i.e
- ❖ a)PH 01 Waves and modern physics (ECE ,EEE,E&I branches) It is resolved to change the marks weightage CIE-30MARKS; SEE-70 MARKS as per the guidelines of APSCHE .The BOS chairman is authorized to modify the model question paper accordingly . the R-18 syllabus of physics will be continued for R-20 regulation students. i.e
- a)PH 01 Waves and modern physics (ECE ,EEE,E&I branches)
- b)PH 02 Advanced optics and material testing (CE, MECH branches)
- c) PH03 Semiconductor physics and nano materials
- b)PH 02 Advanced optics and material testing (CE, MECH branches)

In addition to the existing open electives of R-18 regulations two more open electives/ job oriented Courses

a) Thin film and Vacuum Technology

b) Physics of polymers and glasses

are proposed for 5,6, 7th semester students of R -20 regulations

c)It is resolved to conduct some lab experiments on virtual mode. It is proposed to conduct lab experiments In dual mode (real, virtual) for better grasping of knowledge through lab courses.

1 K. Ramkrishna

2 Dr. Mallikarjuna

3 V. Aruna .

4 U. Van Bala

5 Ch. A. .

6 N. Jeevan

7 Mr. Sambasiva

8 ~~Dr. J. J.~~

9 L. Rajuwar Rao

10 A. Ramu Bala
