Dear Sir(s),
Good morning to all of you.
This is very glad to me to meet you once again regarding B.Tech., Engineering Chemistry Syllabus for its approval to new branch (**Machine Learning & Artificial Intelligence**) which is going to be introduced from this academic year i.e., 2022-23 onwards.
So, I am requesting all of you to approve the same syllabus (copy attached) to the new branch (**ML&AI**), as we have the common syllabus to all engineering branches.

With warm regards
Dr. V. Madhava Rao
Assoc. Professor & HOD
Dept. of Chemistry
